Schedule of Courses

FOR FALL 2010

With information for undergraduate, graduate, and non-degree students about preparing to register and the registration process.

June 2010

UMASS BOSTON

Registration on campus?

Computers offering easy access to registration and schedule updates through the WISER system are in the Campus Center (near the "The One Stop" on the upper level), the Science Center, McCormack and Wheatley Halls, and other locations.

Course descriptions?

They're in the UMass Boston undergraduate and graduate catalogs and at www.umb.edu/admissions/catalog.html. If you need a catalog, call 617.287.6000. You can also consult the course catalog in the WISER system.

Schedule updates?

Course schedule changes are frequent during the registration period. To learn about changes made after this publication went to print, use the WISER registration system.

Registration changes?

If you've already registered and you want to make a change, see "After You Register" on page 11. You can add or drop courses up through September 14.

Weather emergencies?

To find out if classes have been cancelled, after 5:30 a.m. call 617.287.5000, visit www.umb.edu, watch channel 4, 5, or 7, or listen to WUMB, WBUR, WRKO, or WBZ.

Questions?

If you need information about studying at UMass Boston that you can't find in this publication, see "Where to Learn More" on pages 26-29.

Please note that while every effort has been made to ensure the accuracy of the information in this publication, the information is subject to change, and this publication is neither a contract nor an offer to make a contract. This publication is available in alternate format upon request.

- **Be sure to check the complete university calendar on the back cover.**

First Things First

Getting information before you register
If you have recently been admitted to a degree or certificate program, and are beginning your studies at UMass Boston, you should already have been informed about the process through which you will choose courses and begin registration. If you believe that you need more information, check with the Undergraduate Admissions Office at 617.287.6100 (if you are an undergraduate) or with your program director (if you are a graduate student).

If you are a continuing student enrolled in a degree or certificate program, the university has sent you important information you will need for registration. The information includes a student ID number, which you will need for access to the WISER system, and your "enrollment appointment"—that is, the period during which you are eligible to register. As a rule, the more credits you have accumulated, the earlier the enrollment appointment period will begin. If you are concerned because you haven't received this information, you may call the Registrar's Office (617.287.6200) or visit the One Stop (CC Upper Level) to check on your status.

You should also be sure, before you register, to discuss your course selections and academic requirements with an appropriate advisor from the University Advising Center or your college, major department, or graduate program.

If you are a graduate student and will not be enrolling for any courses this semester, you are required to pay a $175.00 program fee to maintain continuous enrollment. You may use WISER to register for CAS 600. Select the section designated for your graduate program. After you are registered for CAS 600, you will be billed for the $175.00 program fee. If you do not register by September 14, you will need to go to the One Stop to register for program fee status, and you will also be charged the $50 late fee.

If you are an undergraduate in the College of Public and Community Service (CPCS) or you want to register for a CPCS course, please see the information on page 16.

If you want to study at UMass Boston without seeking a degree or certificate, please see "Non-Degree Students" on page 16. You are welcome to take nearly any course as long as you are academically prepared for it and space is available (for graduate courses, you will need permission from the graduate program director or, in some cases, the instructor). You may also be able to apply credits you have earned to degree or certificate requirements.

If you want to take an off-campus, Friday evening, Saturday, or on-line course, or any other course or section identified with a "ccde" code in this publication, please see the information on page 13. These courses, which are administered by the University's Division of Corporate, Continuing, and Distance Education, are like other UMass Boston courses in terms of their substance and relationship to degree requirements, but the charges, and dates for them differ from those for most courses listed in this publication.

If you are neither a citizen nor a permanent resident of the United States, please see "Information for International Students" on page 21.

We encourage you to review course descriptions for all courses you might want to take. You can find them in the UMass Boston *Undergraduate Catalog* and *Graduate Bulletin*, the *Corporate, Continuing and Distance Education Bulletin* (for off-campus and weekend courses), and also at the UMass Boston web site. To find out how to obtain one of these publications, call 617.287.6000. To view them on the web, visit www.umb.edu/admissions/catalog.html (*Undergraduate Catalog* and *Graduate Catalog*) or www.ccde.umb.edu (*Corporate, Continuing, and Distance Education*).

Please see "Using this publication" on the following page.

First Things First *(continued)*

Using this publication

We encourage you to review the sections on:
- "After You Register" (pages 11-12),
- calendar information (page 2 and back cover), and
- tuition, fees, and payments (pages 22-24)

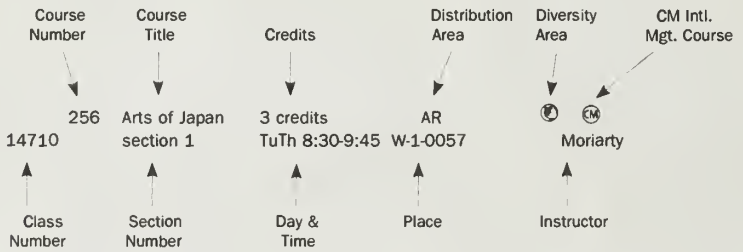
If you are an undergraduate in any college other than CPCS, please be sure to review the "Academic Requirements for Undergraduates" section beginning on page 30. Focus particularly on "Advising and Testing" and on the material that applies to your college.

To use the schedule information, look first in the appropriate section:
- First-Year and Intermediate Seminars (pages 58-61)
- "QR" Courses (page 62)
- College of Liberal Arts Undergraduate Courses (pages 62-87)
- College of Management Undergraduate Courses (pages 88-91)
- College of Nursing and Health Sciences Undergraduate Courses (pages 92-94)
- College of Science and Mathematics Undergraduate Courses (pages 95-104)
- Undergraduate Education Courses (pages 104-105)
- University Honors Program Courses (page 105)
- Graduate Courses (pages 106-129)

Then look for the appropriate department or program heading, for example,

Art (ART)

Courses are grouped under these headings. For each course, you can find information like this:



You can use this information, together with the worksheet on the following page, to plan your schedule. Please note that evening courses are identified by a star (★). Courses administered by the Division of Corporate, Continuing, and Distance Education are identified by the code "ccde" (see pages 13-15 for more information about "ccde" courses).

If you still have questions, see "Where to Learn More" on pages 26-29.

To register, continue to page 8.

Final Examination Scheduling

The final exam schedules for most courses are now determined by the days and times on which classes meet, according to the table below. We encourage you to consult this table before you register. By doing so, you can avoid registering for courses that might require you to take exams at unworkable times. Please note that CCDE courses and certain others that meet at unusual times do not follow the exam schedule below. Exam schedules for all fall 2010 courses will be available at www.umb.edu/students/registrar. Once you have registered, you can reach your own schedule through WISER at the link "My Exam." Please be sure to check it.

Using the "WISER" Web System

What you can do

If you are
- an undergraduate
- a graduate student
- a continuing undergraduate non-degree student

You can
- register for a course or section
- add or drop a course or section after having previously registered
- see a list of the courses for which you are registered
- register (if you are a graduate student) for program fee status (CAS 600)

Be sure to review "Adding and Dropping Courses" on page 11.

You can also
- register (if you are an undergraduate) to take a course pass/fail, or change pass/fail status to normal grading status
- withdraw from a course

Be sure to review "Taking Courses Pass/Fail" and "Withdrawing from Courses" on page 11.

But please note...
- You cannot use the system to register for 100G-level courses (First-Year Seminars).
- WISER has many other useful self-service functions. This publication focuses only on the registration process.
- If you are a CPCS undergraduate, please see the information on page 16.

When to register

First, remember that you can register only during your "enrollment appointment" or access period–the period during which you are eligible to register. During this period, you can use the WISER registration system on any day at any time except between 12:00 midnight and 2:00am.

To register or to add or drop a course
- if you are a continuing student, access WISER no later than September 14. If you have not already conferred with the appropriate advisor, be sure to do so.
- if you are a new student, access WISER after conferring with the appropriate advisor, and no later than September 14.

To add a course, access WISER
- no later than September 14.

To make or change a pass/fail selection, access WISER
- no later than November 12. Please see "Taking Courses Pass/Fail" on page 11.

To withdraw from a course, access WISER
- from September 15 through November 12. Please see "Withdrawing from Courses" on page 11.

These definitions may help with terminology.

WISER's environment uses unfamiliar terms in place of some of the academic language normally used at UMass Boston and other colleges and universities. When the terms are familiar, they may be used in unfamiliar ways. The following table will help you translate.

PeopleSoft term	*Equivalent normally used at UMass Boston*
Academic organization	College, department, or program (an administrative unit)
Catalog number	The number that, in combination with a subject area code, identifies a course (101 is the catalog number for ENGL 101).
Class component	A kind of class: lecture, lab, seminar, or studio
Class number	Schedule number (required for registration)
Course career	A category to which courses in the system have been assigned. For courses listed in this publication, select "Undergraduate" or "Graduate."
Course catalog	A database of course descriptions. The "course catalog" does not include descriptions of academic programs and requirements and is therefore not equivalent to UMass Boston's Undergraduate Catalog and Graduate Bulletin.
Course ID	A system-generated number identifying a course. Each course is also identified, for most purposes, by the combination of its subject area code and its catalog number.
Enroll	Register (for an individual class)
Enrollment appointment	Access period. That is, the period assigned to a student during which that student may register for a semester's courses.
Permission number	A number provided by the instructor of a class that allows a student to register when registration has previously been blocked (for any of several reasons).
Subject area	Academic discipline
Institution	In this context, UMass Boston, UMass Lowell, or UMass Dartmouth
Term	Semester. But "term" also refers to the CCDE winter session, and to CCDE sessions during a given summer, considered as a unit.
Unit	Credit

After You Register

Adding and Dropping Courses

What: After your initial registration, you may use WISER to add (register for) one or more additional courses, or drop (cancel your registration for) any course for which you have registered. You should not drop required courses, such as a First-Year or Intermediate Seminar or a QR course, without consulting your advisor.

When: You may add or drop courses up through September 14, 2010. The WISER system will be available daily except between 12:00 midnight and 2:00a.m.

Waiting Lists, Confirmation Notices, Filled Courses

If you have been moved from a waiting list to an official class list, an email notification will be sent to you, and the course will appear on your schedule with the status ENROLLED. If it appears with the status WAITING you are not registered for the course. If you are still interested in taking the course, and the WISER system indicates that no space is available, please follow the instructions below:

- Undergraduate students: Contact the instructor (in the case of College of Liberal Arts and College of Science and Mathematics courses) or the student services office (in the case of the other colleges). The decision of the instructor or the department will be final.
- Graduate students: Go to the class. If there is space available, the professor must give you a permission number to allow you to register for the course. The permission number must be used no later than September 14.

Taking Courses Pass/Fail

What: If you are an undergraduate, you may take one course each semester on a pass/fail basis, up to a maximum of eight. (Mandatory pass/fail courses do not count toward this limit.) If you successfully complete the course, you will earn a grade of "P," and the course will be counted toward your graduation requirements, although it will not affect your cumulative grade point average. The grade of "F" will count as a failure and will lower your cumulative grade point average accordingly. Please note: The requirements of your college, major, or program may not permit you to take certain courses pass/fail. Be sure to check these requirements carefully.

When: The pass/fail deadline is November 12. You can arrange to take a course pass/fail, or change pass/fail status to normal status, at any time after your initial registration until the deadline. The WISER system will be available daily except between 12 midnight and 2:00am.

Remember! 1) Be sure to check the requirements of your college or program before choosing the pass/fail option. 2) You cannot cancel a pass/fail choice after the deadline.

Withdrawing from Courses

What: You may use WISER to withdraw from any individual course. If you do so, you will be given a grade of "W," which will remain on your record but will not affect your cumulative grade point average. You may register for the course in another semester. You should not withdraw from required courses, such as a First-Year or Intermediate Seminar or a QR course, without consulting your advisor.

When: The course withdrawal deadline is November 12. You may withdraw or cancel a withdrawal at any time after September 14 until the deadline.

Remember! 1) If you do not attend classes, you will not be withdrawn automatically. Unless your instructor takes attendance and submits a grade of "NA" to the Registrar's Office, you will receive a grade of "F" for the course. 2) You cannot cancel a withdrawal after the deadline. 3) To be eligible for a refund, you must withdraw from the university—that is, withdraw from all your courses—early in the semester. (See the information on the next page and on page 23.)

Withdrawing or Taking a Leave of Absence from the University

What: If necessary, you may withdraw from all your courses, which is considered withdrawing from the university. You may also take a leave of absence. In either case, you will be given a grade of "W" for each course, which will remain on your record but will not affect your cumulative grade point average. If you withdraw early enough in the semester, you may be eligible for a partial refund (see page 23).

When: You may withdraw from the university or take a leave of absence as late as the last day of classes of a semester. The effective date of withdrawal will be the date on which all required forms are completed and returned to the appropriate offices.

How: You must confer with an appropriate advisor (for example, a staff member in the University Advising Center, a member of your dean's office staff, or your graduate program director) and complete and submit a withdrawal form. You must also receive clearance from any university office in which you have incurred financial charges.

Note: Students absent from the university for four or more consecutive semesters are subject to all requirements and policies in effect the semester they return.

Retaking Courses

As a rule, you may retake a course once, regardless of the grade you received the first time. In such cases, both grades will appear on your transcript, but only the second grade will count toward your cumulative average. In all cases, the second iteration of the course must be identical to the first. If you are an undergraduate, you may retake a total of four courses, one time each.

Exceptions to this rule are as follows:

- You may not retake a course if it is a prerequisite for a more advanced course that you have already taken and passed. For example, if you have passed Spanish 102, you may not retake Spanish 101.
- Certain courses (many Special Topics and Independent Study courses, among others) have been designated as "repeatable for credit." A poor grade in such a course cannot be replaced by a grade from a later retake of the course. Instead, each grade will count toward your cumulative average, end each time you pass such a course you will earn credits. For a complete listing of undergraduate courses of this kind, check with the Office of Undergraduate Studies.
- Certain colleges and/or majors may have stricter limitations on which or how many courses may be retaken. We advise you to check with your major department before retaking any course.

If you urgently need to retake an undergraduate course (for example, to meet a major requirement), but the policy described above prohibits doing so, you may appeal before registering to the Office of Undergraduate Studies. Under no circumstances, however, will you be allowed to retake a prerequisite for a more advanced course that you have already passed.

Note: You may repeat the equivalent of a UMass Boston course at another institution, and receive transfer credit for that course, only if you originally received an F in the UMass Boston course.

CLA, CSM, and CNHS Students Please Note!

The deadline for completing the Writing Proficiency Requirement is important for you. For details, see pages 48-51. (This requirement applies to students in the College of Liberal Arts, the College of Science and Mathematics, and the College of Nursing and Health Sciences.)

CM students do not take the Writing Proficiency Exam. Instead, they take BC290, Professional Written Communication and Critical Analysis.

"CCDE" Courses

For the convenience of students UMass Boston offers a number of courses at off-campus locations including Braintree (Braintree High School), Plymouth (Cordage Commerce Center), downtown Boston (Copley Square), and at the university on Friday evenings and Saturdays, as well as additional sections of courses scheduled during the week or delivered online via the World Wide Web. These courses and sections, which are administered by the university's Division of Corporate, Continuing, and Distance Education, are identified in the schedule by the code "ccde." They are like other UMass Boston courses and sections in terms of their substance and applicability to degree requirements, but the registration procedures, charges, and dates for them differ somewhat.

REGISTERING FOR CCDE COURSES

Students may register for CCDE courses through WISER Self-Service, the CCDE Online Shopping Cart (www.ccde.umb.edu) , in person at the One Stop or by mail/fax.

PLEASE NOTE

Costs and Calendars

For information about costs, or other additional information about registration for "ccde" courses, please call 617.287.6200. Please do not refer to the "Tuition, Payments, and Fees" section of this publication.

For information about course dates and deadlines, see "Registration-Related Dates to Remember" on page 2 and the complete academic calendar on the back cover.

Placement Testing for Computer Science, Math, English Composition, and ESL Courses

Students are required to take a diagnostic exam before registering for most math courses. Please consult the Testing Center website at http://www.uac.umb.edu/testing/math/ for information on math course pre-requisites, practice exams, and drop-in dates and times. New degree-seeking students are required to take a diagnostic placement test in reading and writing as part of the orientation process. Non-degree students who wish to take English composition courses (English 101, 101E, 102, and 102E) or ESL courses (ESL 100A through 100F) will be required to have their writing skills tested during the first class session. Non-degree ESL students are encouraged to have their writing skills evaluated before registering. Evaluations can be arranged at the Testing Center (M-3-0612). For details and testing dates, please see "Testing" on page 31.

Regulations for Non-Degree Students

UMass Boston's academic regulations apply to students who are taking courses without having been admitted to degree programs. Please be sure to read the "Important Regulations and Requirements" beginning on page 19.

Professional Degree and Certificate Programs

The Division of Corporate, Continuing, and Distance Education offers credit and non-credit professional programs to meet the needs of various business and professional groups, individuals seeking instruction in specialized fields or special skill development, and those who simply wish to explore new areas of interest. To learn more about these certificate programs and other professional training opportunities, call the division at 617.287.7900, email them at continuing.education@umb.edu, or visit the Corporate, Continuing, and Distance Education web site at www.ccde.umb.edu.

Online Courses

UMass Boston offers a growing selection of undergraduate and graduate courses in an online, web-based format that are open to students throughout the world who meet the prerequisites. Online courses follow the semester-based calendar of CCDE's off-campus courses, but students "attend" each week when and where they wish. Students interact with the instructor via e-mail, chat rooms, telephone, fax, and mail. Courses include exercises, readings, projects, on-line discussions, chat rooms, live chat, illustrations, and video. As an enrichment of the on-line learning experience, most classes offer optional on-campus class meetings.

Online courses follow the same curriculum and carry the same academic credit as their counterparts taught live in the classroom. A number of degree and certificate programs are available. They include:

- Applied Linguistics (MA degree)
- Community Studies (BA degree completion)
- Critical and Creative Thinking (graduate certificate)
- Family Therapy (MS degree)
- Gernontology (undergraduate certificate)
- Gerontology (MS degree and graduate certificate)
- Instructional Design (MEd degree)
- Instructional Technology Design (graduate certificate)
- Instructional Technology for Educators (graduate certificate)
- Mental Health Counseling (MS degree)
- Nurse Practitioner (graduate certificate)
- Nursing Practice (DNP degree)
- Rehabilitation Counseling (MS degree)
- RN to BS Degree Completion (undergraduate degree)
- School Counseling (MEd degree)
- Special Education (MEd degree)

To learn about specific on-line courses offerings for the current semester and technical requirements for participating, or to obtain other information about online learning, visit www.ccde.umb.edu/dl or contact Kitty Galaitsis at 617.287.7925 or katharine.galaitsis@umb.edu.

Remember!

- **You are financially responsible for any course(s) for which you remain registered after September 14.**
- **You are expected to attend all scheduled classes. The instructor has the right to exclude you from a course if you are absent from the first two or more classes, regardless of the registration deadline. If you do not attend a course or are asked to leave, you must officially drop or withdraw from the course to avoid a failing grade.**

College of Public and Community Service (CPCS) Courses

REGISTRATION FOR CPCS STUDENTS

CPCS students now register for classes through WISER self-service. The fall 2010 course schedule will be available through the CPCS Office of Student Services (W-4-151). For more information or assistance with registration, students may contact that office at 617.287.7120

REGISTRATION FOR NON-CPCS STUDENTS

Non-CPCS students may enroll in many CPCS courses. Interested students should call or visit the CPCS Office of Student Services (W-4-0151; 617.287.7120), where information about these courses will be available. Non-CPCS students should be sure to talk with their advisors about applying CPCS courses to non-CPCS requirements.

Non-Degree Students

UMass Boston offers many opportunities for non-degree students—that is, students who have not been formally admitted into the university. Many of these students take courses in order to sample UMass Boston's offerings and strengthen their skills before applying for admission to a degree or certificate program. Others enroll because individual courses can help them advance in their current careers or prepare for new careers, or simply because they seek the personal growth and enrichment that university study can give them.

In this publication's schedule listings, you will find courses offered on weekdays and Saturdays at UMass Boston's campus, and on weekdays at several off-campus locations. For the convenience of working students, many courses meet during late afternoon or evening hours (these courses are identified in the schedule listings with a star).

If you are interested in attending UMass Boston as a non-degree student, you should know that:

- you can take any course for which you meet the prerequisites, and in which space is available (for graduate courses you will also need the permission of the graduate program director),
- you can call 617.287.5000 to schedule an appointment with our non-degree advisor before you register for undergraduate courses,
- you can often use credits you earn as a non-degree student to meet UMass Boston degree requirements, but be sure to speak with an appropriate advisor about how your credits can be applied. Be aware that some required courses are not open to non-degree students, and that no more than six graduate credits can be applied toward a graduate degree.
- your UMass Boston ID will entitle you the use of all university facilities, and
- you'll be welcome!

Please note: The information below about registration and costs applies to most courses offered at the UMass Boston campus. Additional courses and sections, most of them offered at off-campus locations, and at UMass Boston on Friday evenings and Saturdays, are administered by the University's Division of Corporate, Continuing, and Distance Education, and are identified in the schedule by the code "ccde." They are like other UMass Boston courses and sections in terms of their substance, faculty, and relationship to degree requirements, but the registration procedures, charges, and dates for them differ somewhat. Please see "CCDE Courses"on pages 13-15.

If you have F-1 visa status, you may not enroll as a non-degree student at UMass Boston unless you are also enrolled full-time at the institution that issued your I-20. For details, please see "Information for International Students" on page 21.

NON-DEGREE REGISTRATION FOR UNDERGRADUATE COURSES

When to Register

Online through WISER Self-Service: August 23–September 14.
Walk-in: August 30–September 14.

If You Were *Not* Enrolled in Spring 2010:

Online Registration: Beginning Monday, August 2, you may go to www.registrar.umb.edu and fill out a request to create or activate a non-degree student account. When an account has been set up, you will receive a student ID and instructions for registering online through the WISER system. Non-degree registration on WISER will begin on August 23.

Walk-in Registration: Walk-in registration and advising will be available outside the One Stop (Campus Center upper level) from Monday, August 30, through Tuesday, September 14. Registration will be open from 9:00am to 6:00pm Mondays through Thursdays and 9:00am to 4:00pm on Fridays. Staff will be available to assist you in selecting and registering for courses. We recommend that you bring your unofficial transcripts from any college you have attended in order to demonstrate that you have met course prerequisites.

If You *Were* Enrolled in Spring 2010:

You may register through WISER Self-Service beginning on August 23. For information on accessing your student ID and instructions for using WISER, go to www.registrar.umb.edu.

Academic Advising and Other Assistance

You may contact the University Advising Center at 617.287.5500 to make an appointment to meet with a non-degree advisor prior to the walk-in registration period. You may also come to the non-degree registration tables in front of the One Stop during the walk-in registration period (see dates above) for assistance with course selection and academic planning. We recommend that you bring your unofficial transcripts from any colleges you have previously attended in order to demonstrate that you have met course prerequisites.

At the university you can consult the UMass Boston *Undergraduate Catalog* for information about courses and prerequisites. The catalog is also available in most public libraries and at www.umb.edu/admissions/catalog.html.

If you have questions about the registration process, please call 617.287.6200 or come to the One Stop during the walk-in registration period (see above).

NON-DEGREE REGISTRATION FOR GRADUATE COURSES

If You Were *Not* Enrolled as a Graduate Non-Degree Student in Spring 2010:

Beginning Monday, August 2, you may go to www.registrar.umb.edu and fill out a request to create or activate a non-degree student account. When an account has been created or activated, you will receive instructions for registering online using the WISER system. If you are a new student, you will also receive a student ID and instructions for creating your password. You may begin registering as described in "When to Register" below.

If You *Were* Enrolled as a Graduate Non-Degree Student in Spring 2010:

You may begin registering as described in "When to Register" below.

When to Register

Registration schedules vary according to program. In the case of some programs, registration for non-degree students begins shortly before classes begin; other programs begin registration some weeks earlier. For information, contact the appropriate graduate program director, using the directory on the next page. Please remember that classes begin September 7, and that the final deadline for course registrations is September 14. Many graduate courses require departmental consent and/or other pre-requisites. For these courses, you will need to obtain a permission number for each course from the department in order to register. Be sure to register as early as possible. The sooner you begin, the greater your chances will be of finding space in the course(s) you want.

Please note: We encourage you to consult the UMass Boston *Graduate Catalog* for program and course descriptions and information about prerequisites. Copies of the bulletin are available at the Graduate Admissions Office and at most public libraries. You can obtain a copy by mail from the university by calling 617.287.6000, but you should be aware that your copy may not reach you for a week. You can also find information from the *Graduate Catalog* at www.umb.edu/admissions/catalog.html. Please see "Where to Learn More" on pages 26-29.

IMPORTANT REGULATIONS AND REQUIREMENTS FOR NON-DEGREE STUDENTS

Academic Regulations

The university's academic regulations apply to non-degree students, just as they do to other UMass Boston students. All students should consult the university's *Undergraduate Catalog* or *Graduate Bulletin* for information about academic programs and requirements. The following minimum retention standards are of critical importance.

Course Level	Required Minimum Grade Point Average
Undergraduate	2.00
Graduate	3.00

- If a student's cumulative average at the end of any semester has fallen below the required level, that student may not be permitted to take UMass Boston courses in future semesters. The cumulative average will be based on grades for all UMass Boston courses that the student has taken as a non-degree student at any time.

- If a non-degree student is admitted to an undergraduate degree program, that student may count credits earned as a non-degree student toward the degree, subject to the approval of the appropriate academic dean. We strongly recommend an early transition to degree-seeking status. Certain required courses are open only to degree-seeking students.

- No more than 6 credits earned as a graduate non-degree student, with grades of B or higher, may be applied toward a graduate degree or certificate.

- Any undergraduate student may choose to take one course per semester or summer on a pass/fail basis, up to a maximum of eight. The course must be chosen before the appropriate pass/fail deadline in the academic calendar. If the student successfully completes the course, it will count toward degree requirements. See "Taking Courses Pass/Fail" on page 11.

- Graduate students may not take any courses on a pass/fail basis, but they may audit one or more courses with the approval of the instructor(s). The audit option must be selected by the add/drop deadline.

Placement Testing for Computer Science, Math, English Composition, and ESL Courses

Students are required to take a diagnostic exam before registering for most math courses. Please consult the Testing Center website at http://www.uac.umb.edu/testing/math/ for information on math course pre-requisites, practice exams, and drop-in dates and times. If you wish to take English composition courses (English 101, 101E, 102, 102E) or ESL courses (ESL 100A-100F), you will be required to have your writing skills tested during the first class session. For details, please see "Testing" on page 31.

International Students Please Note!

No student with F-1 visa status may register at UMass Boston as a non-degree student unless the student is also registered for a full course of study at the institution that has issued the student's I-20. If you are not studying full-time at the school that issued your I-20, you are out of status with the INS. Students on other visa statuses (such as F-2, J-2, H-4, H-1B) usually do not need to be studying full-time or in a degree program. Check the conditions for your particular status. For more information, please see "Information for International Students" on page 21.

LATE REGISTRATION FOR NON-DEGREE STUDENTS

Late registration will be possible during the period from September 7 through September 14. To register for undergraduate courses, come to the One Stop (Campus Center, Upper Level). For registration period hours, please call 617.287.6200. The staff will give you detailed information about registration, courses, and locations, as well as the appropriate forms.

To register for graduate courses, follow the procedures described in "Non-Degree Registration for Graduate Courses" on page 18.

Please note: Registration for fall semester, off-campus and "ccde" Saturday courses is possible through September 25. There is a $25 late fee. Please see "CCDE Courses" on pages 13-15 and the academic calendar on the back cover.

PAYMENTS FOR NON-DEGREE STUDENTS

For tuition and fee rates, as well as payment procedures, please see "Tuition, Fees, and Payments" on pages 22-24.

Information for International Students

If you have or seek F-1 visa status, and you want to seek a degree at UMass Boston,

- you must apply to and be accepted into a degree program at UMass Boston or the Intensive ESL Program of UMass Boston's Division of Corporate, Continuing, and Distance Education;
- you must submit acceptable financial documentation to the appropriate UMass Boston office, in order to receive an I-20;
- you must receive and sign your UMass Boston I-20;
- you must register for and complete a full course of study at UMass Boston each semester (12 credits for undergraduate students, 9 for graduate students);
- at the start of your first semester, you must attend the Mandatory International Student F1 Check-In to process your documents and learn more about your rights and responsibilities. Information about this session will be mailed to you.

If you are transferring from another institution, your old I-20 will no longer be valid.
You must receive a new UMass Boston I-20. It is extremely important that you attend the Mandatory International Student F1 Check-In and USCIS Workshop at UMass Boston, so that we can validate your transfer to UMass Boston.

If you have F-1 visa status, and you want to attend UMass Boston as a non-degree student,

- you must also be taking a full course of study at another college or university, and you must have a valid I-20 from that school.
- If you are no longer attending another college or university, and you wish to study at UMass Boston, you must be admitted to a UMass Boston program (see the instructions above).
- If you do not follow these regulations, you will be out of status with the USCIS.

If you have a visa status other than F-1, different conditions apply.

- If you have J-1 status, you should also be a full-time student but must follow J-1 regulations. Call Lurlene Van Buren at the Office of International and Transnational Affairs with questions (617.287.3961).
- Students with many other visa statuses, especially dependent statuses (J-2, H-4, E-2, L-2, etc.) or working statuses (H-1B, etc.) do not need to maintain full-time enrollment. Check the conditions for your particular visa status.

Tuition, Fees, and Payments

Your Financial Obligation

If you register for any course, and are accepted into it, you must pay for the course in full unless you:
- drop the course by September 14 (see "Adding and Dropping Courses" on page 11), or
- withdraw from all your courses early enough to be eligible for a refund (see "Withdrawing from the University" on page 12 and "Refunds of Tuition and Fees" on page 23).

You will be financially responsible for any course for which you remain registered after September 14 even if you
- withdraw from all your courses after the fifth week of classes,
- withdraw from the individual course after September 14, or
- receive a grade of "NA."

Please see "Current Tuition and Fees" on page 24.

Paying on Time

The due date for paying your tuition and fees appears on your most recent bill from the UMass Boston Bursar's Office. You must pay your bill by the initial due date. Any one of the following three actions, or a combination of two or three, will meet this requirement:
- Full payment by the due date of all charges.
- Enrollment and active participation in the interest free tuition payment plan offered through Sallie Mae (for information, call 1.800.635.0120 or visit www.TuitionPayEnroll.com/umb).
- Official notification received by the Bursar's Office of eligibility for financial aid that will cover all of your charges or the remaining balance in your account.

If you have not paid by the initial due date, you will be subject to late fees, you will have an administrative hold put on your record, and you will still be held responsible for paying your bill.

How to Pay

You can pay your bill by mail or in person.
- To pay by mail, follow the instructions on your bill.
- Cash payments must be made at the Bursar's Office (Campus Center, 4th Floor).
- Payments by check, cashier's check, or money order may be made in person at the Bursar's Office or the One Stop (Campus Center, Upper Level).
- Online payments may be made by E-check or with a credit card. For credit card payments, American Express, MasterCard, and Discover are accepted; there is a 2.5% service fee. For further information about paying online, visit www.umb.edu/administration_finance/bursar/OnLinePayment.

University Payment Policy

University policy requires that no registration be considered complete until the semester charges are paid in full. Charges are computed on the basis of courses/programs for which students are registered. Initial bills are sent in July (for the fall semester) and in December (for the spring semester) to all students who have already registered.

Late registrants are billed after the add/drop deadline. Follow-up billings will be made periodically, reflecting any additional charges, payments, or credits that have occurred within the semester period. Each student must pay all charges in full prior to the due date indicated on the initial bill to avoid late charges or cancellation of registration and financial aid. No time or deferred payments are allowed by the university.

Remember!

- **You are financially responsible for any course(s) for which you remain registered after September 14.**
- **You are expected to attend all scheduled classes. The instructor has the right to exclude you from a course if you are absent from the first two or more classes, regardless of the registration deadline.**
- **If you do not attend a course or are asked to leave, you must officially drop or withdraw from the course to avoid a failing grade.**
- **Please visit the Bursar's Office website for the latest information: http://umb.edu/administration_finance/bursar.**

Overdue accounts will be considered sufficient cause for cancellation of registration, as university regulations prohibit final registration, graduation, or granting of credit for any student whose account with the university is unpaid. Any delinquent accounts will be cause for administrative withdrawal and must be paid prior to readmission to the university. Unpaid accounts will be referred for collection action, to include collection costs of 25% added to the outstanding bill.

Refunds of Tuition and Fees

To be eligible for a refund, a student must withdraw from the university—that is, withdraw from all courses for which he or she has registered (see page 12). The normal withdrawal refund schedule is below; students who are receiving federal financial aid may be subject to a different policy. For further information, contact the Financial Aid Services Office.

Date of Withdrawal	Percentage Refunded
Before the first class meeting	100%
During the first two weeks of classes	80%
During the third week of classes	60%
During the fourth week of classes	40%
During the fifth week of classes	20%
After the fifth week of classes	No Refund

Residency Reclassification

If you have been classified as not a resident of Massachusetts and you wish to appeal for reclassification as a Massachusetts resident, you must file your appeal no later than September 14. Forms and information are available at the One Stop.

Tuition Surcharge Policy

Undergraduates who earn more than 118% of the credits required for graduation must pay for additional credits at the non-resident rate. Normally the surcharge will apply to credits beyond a total of 141. There are several exceptions to this policy:

- Students who transfer into UMass Boston are exempt.
- Credits earned at other institutions after a student enrolls at UMass Boston, and transferred in, do not count toward the total.
- Credits earned through the Division of Corporate, Continuing, and Distance Education do not count toward the total.
- Credits earned for programs requiring more than the normal 120 do not count toward the total.

Please note:

The costs of offering most UMass Boston course sections have been met in part with financial support from the Commonwealth of Massachusetts. Due to a reduction in the state appropriation to the university, a number of these sections no longer have state support. In order to continue to offer them, the university offers them without state support through its Division of Corporate, Continuing, and Distance Education*. The schedules for these course sections, and the procedures for registering and paying for them, are as described in this publication. However, charges for them appear separately on Bursar's Office bills as "non-state course fees." Students continue to be charged for a maximum of 12 credits, and will be billed first for state-supported courses. This means (for example) that a student who takes 15 credits, 9 of which are state-supported, will be billed for 9 state-supported credits and 3 non-state-supported credits. The course fees for non-state-supported courses will be the same per credit as the in-state tuition charges shown on page 24.

*These non-state-supported sections are not those identified in this publication as "ccde" sections.

Advising and Testing

ACADEMIC ADVISING

We strongly encourage you to confer with the appropriate advisor about your course selections and academic requirements before attempting to register. For most students, advising before registration is a requirement, and this may be the case for you. You can find knowledgeable advisors in the offices listed below.

- **If you are in the College of Liberal Arts or the College of Science and Mathematics and you have not declared a major,** seek advising in the University Advising Center (see below).
- **If you are in the College of Liberal Arts or the College of Science and Mathematics and you *have* declared a major,** seek advising in your major department (see the list of locations and phone numbers on page 28). For matters not related to your major, you can also use the services of the University Advising Center (see below).
- **If you are in the College of Management and you have not declared a concentration,** go to the University Advising Center (see below).
- **If you are in the College of Management and you *have* declared a concentration,** seek advising in your concentration department (see the list of locations and phone numbers on page 28). You can also get information in the college's Undergraduate Program Office (M-5-0603; 617.287.7760) and use the services of the University Advising Center for matters not related to your concentration (see below).
- **If you are in the College of Nursing and Health Sciences, including the Exercise and Health Sciences Department**, see the faculty advisor who has been assigned to you, or go to the college's Student Affairs Office (S-2-0015; 617.287.7500).
- **If you are in the College of Public and Community Service,** seek advising from your faculty advisor or in the college's Student Services Office (W-4-0151; 617.287.7120).

THE UNIVERSITY ADVISING CENTER

The University Advising Center provides many services, including

- academic advising for Liberal Arts, Science and Mathematics, and Management students who have not declared majors or concentrations.
- advising for students interested in careers related to medicine.

You can call or visit the center at:
Location: CC-1-1100
Hours: M-Th, 8:30am-6:00pm. F, 8:30am-5:00pm.
(Summer and vacation hours are M-F, 8:30am-5:00pm.)
Phone: 617.287.5500
Website: http://www.uac.umb.edu

TESTING

Appropriate preparation is especially important for students taking certain introductory courses, and the university wants to be certain that students in these courses have the skills they need for success. The university therefore uses diagnostic testing to place students in the courses that will serve them best.

The Math Placement Test

Students are required to take a diagnostic exam before registering for most math courses. Exam sessions are regularly scheduled during the upcoming weeks; for dates and times, please visit http://www.uac.umb.edu/testing/math. Practice exams are also available at this website, as is information about math course prerequisites.

All testing sessions take place in the UMass Boston Testing Center (CC-UL-0130). There is no fee, and no appointments are necessary. Ninety minutes are allowed for each test. Results are available immediately after test completion. A photo ID is required at the test session. Calculators, books, or notes are not allowed. For further information, please call 617.287.5522.

The Reading/Writing Diagnostic Test

Non-degree ESL students who wish to enroll in ESL English composition courses (English 101E or 102E) or ESL courses (ESL 100A through 100F) must have their writing skills assessed before registering. ESL writing assessments will be offered at the same time as math placement examinations (for dates and times, visit http://www.uac.umb.edu/testing/math). Non-degree students who wish to take English composition courses (English 101 or English 102) can register for either course during the non-degree registration period with the assistance of the non-degree advising staff. These students will be required to have their writing skills tested during the first class session. Please note: ESL students who are taking courses in the English Language Study Program of the Division of Corporate, Continuing, and Distance Education must meet different testing requirements. For further information about this program, contact Cindy Jiminez (tel. 617.287.7876; email cindy.jiminez@umb.edu).

The Spanish Language Placement Test

In order for students to enjoy the best educational experience in Spanish, we recommend that they take this placement test before registering for a Spanish course. The test is given at the same times as the Math Placement Test. For information, visit http://www.uac.umb.edu/testing/spanish.php.

The College of Management Writing Assessment

Please note that all CM students are required to take the College of Management Writing Assessment (CMWA) for proper placement into BC 230 or BC 290. For further information, visit the CM Undergraduate Program Office (M-5-603) or the CM website at www.management.umb.edu/undergrad/undergrad_bca.php.

CLEP EXAMS

CLEP (the College Level Proficiency Examination Program) is a national program through which students can earn college credit for what they already know. The program conducts standardized exams that measure proficiency in college-level areas of history and social sciences, foreign languages, English composition and literature, science and mathematics, business, and the humanities. Please note: As of fall 2002 students may not earn foreign language course credit at UMass Boston with CLEP exam results. Students may only use CLEP exams to demonstrate elementary language proficiency in order to meet a distribution II requirement.

UMass Boston is an open CLEP center,offering CLEP exams throughout the year on a space-available basis. To schedule an appointment, contact the UMass Boston Testing Center by email (uac.testing@umb.edu), phone (617.287.5522), or in person (at the Testing Center, CC-UL-1300). For more information about CLEP, visit uac.umb.edu/testing/clep.php.

Location Key

A = State Archives Building
C = Clark Athletic Center
CC = Campus Center
H = Healey Library
M = McCormack Hall
Q = Quinn Administration Building
S = Science Center
W = Wheatley Hall
Locations are given by building, floor, and room, in that order.
For example, W-1-0012 means Wheatley Hall, first floor, room 0012.

The General Education Program

The requirements of UMass Boston's General Education Program vary according to the academic year in which students have matriculated, and they also vary from college to college, as do the terms with which they are described. But they typically involve special seminars; a quantitative reasoning course; and writing, distribution, and diversity requirements.

The first goal of the General Education Program is to give students, at the beginning of their college careers, a strong foundation for success in courses they will take later on. More specifically, it will help students:

- engage in critical reading and analysis;
- understand and respect human diversity;
- explore the principal approaches to knowledge;
- learn in depth;
- speak, listen, and write effectively;
- reason logically and quantitatively;
- use technology to further education; and
- work independently and collaboratively.

The program also aims to strengthen students' capacity for learning—and for making their way successfully in the world—throughout their lives.

This publication includes current information about General Education requirements for new and transfer students in the College of Liberal Arts and the College of Science and Mathematics, the College of Management, and the College of Nursing and Health Sciences, including the Exercise and Health Sciences Department. It also includes listings for First-Year and Intermediate Seminars, which many of these students are required to take (see the beginning of the undergraduate schedule section). Information about all College of Public and Community Service requirements can be found in the *CPCS Instructional Activity Book*.

Tracking Your Progress

Your degree progress report, which you can find online through the WISER system, will show your progress toward meeting the requirements that apply to you. For more information, please visit http://www.uac.umb.edu/ontrack/audit.php.

If You Have Been Away From the University

Please note that students absent from the university for four or more consecutive years are subject to all requirements and policies in effect the semester they return.

Remember!

- **You are financially responsible for any course(s) for which you remain registered after September 14.**
- **You are expected to attend all scheduled classes. The instructor has the right to exclude you from a course if you are absent from the first two or more classes, regardless of the registration deadline.**
- **If you do not attend a course or are asked to leave, you must officially drop or withdraw from the course to avoid a failing grade.**

College of Liberal Arts
College of Science and Mathematics

Undergraduate study in the College of Liberal Arts (CLA) and the College of Science and Mathematics (CSM) involves preparation in general education; work in a major field of study; and electives that complement the major and provide the breadth and depth of a liberal education. If you are a CLA or CSM student seeking the bachelor's degree, and you matriculated (began your degree program) in or after fall 2002, you must meet requirements that are briefly described in the following pages. The requirements vary according to the number of transfer credits you matriculated with, and you can meet some of them with transfer credit.*

To keep track of your progress toward your degree, you can use the degree progess report that is available online at http:/www.uac.umb.edu/ontrack/audit.php. You can also use the checklist on the next page. Further information about your requirements appears on subsequent pages. Please also see the advising materials you received during the registration process and consult the *Undergraduate Catalog*.

If you have questions about General Education requirements, visit
http://www.umb.edu/academics/undergraduate/office/gened/gened.html, or
http://www.uac.umb.edu/degree, or
the University Advising Center (CC-1-1100), or
the Undergraduate Studies Office (CC-1-1300).

If you have questions about a major, a minor, or a program of study, confer with your advisor or visit the appropriate academic department.

***Please note:** If you matriculated before fall 2002, you must meet a somewhat different set of requirements. Be sure to check with your advisor if you are uncertain about how any of these requirements apply to you.

CLA, CSM, and CNHS Students Please Note!

The deadline for completing the Writing Proficiency Evaluation is important for you. For details, see pages 48-51. (This requirement applies to students in the College of Liberal Arts, the College of Science and Mathematics, and the College of Nursing and Health Sciences.)

CM students do not take the Writing Proficiency Evaluation. Instead, they take BC 290, Professional Written Communication and Critical Analysis.

GENERAL EDUCATION REQUIREMENTS (A SUMMARY)

Requirement	Description, Comments	When to Complete It
Distribution Applies if you matriculated in or after fall 2002.	Eleven courses for BA students, nine for BS students, in seven areas of study. Elementary foreign language proficiency is required of BA students. See pages 37-38 for details.	As early as possible.
Diversity Applies to all students.	One or two courses. See pages 52-56 for details.	As early as possible.
First-Year Seminar Applies to many students. See your checklist.	A 100G-level course.	Within your first two semesters.
Freshman Writing Applies to many students. See your checklist.	A year of Freshman English (ENGL 101 or 101E; and 102 or 102E) or demonstrated proficiency equivalent to completion of ENGL 102 or 102E. Note: As a result of placement testing, you may be required to complete another courses before beginning ENGL 101 or 101E.	Within your first two semesters.
Intermediate Seminar Applies to many students. See your checklist.	A 200G-level course	If you matriculated with 0-29 credits: between 30 and 60 credits. If you matriculated with 30-89 credits: during one of your first two semesters.
Quantitative Reasoning Applies to many students. See your checklist.	For the BA degree: To fulfill the QR requirement, one of the following: MATH 114Q, POLSCI 221Q, MATH 115, or placement into MATH129 or higher. Alternately, to waive the QR requirement and also receive a math distribution (MT): MATH 125 or higher, or ECON 205, or EEOS 261, or PSYCH 270, or SOCIOL 350, or SOCIOL 352. For the BS degree: MATH 135 or higher.	If you matriculated with 0-29 credits: by the time you have earned 45 credits. If you matriculated with 30 or more credits: by the end of your first semester.
Writing Proficiency Applies to all students.	An exam or a portfolio of papers. See pages 48-51 for details.	By the time you have earned 75 credits; or, if you matriculated with 75 or more credits, by the end of your first semester.

DISTRIBUTION REQUIREMENTS

To develop a broad familiarity with the range of human knowledge, students must complete, or earn transfer credit for, certain courses in the following areas of study.

- Arts, Humanities
- Natural Sciences, Mathematics
- Social and Behavioral Sciences
- World Languages, World Cultures

Three of the areas are subdivided. Many departments offer courses that meet the distribution requirement, and represent the areas and subdivisions. The courses are identified in this schedule book with two-letter codes. They are to be completed according to the table below. The requirements for the BA degree differ somewhat from those for the BS.

Area	BA Requirements	BS Requirements
AR Arts HU Humanities	3 courses, including both AR and HU	1 AR course and 1 HU course.
MT Mathematics NS Natural Sciences	3 courses, at least one of which must be NS. Any mathematics course must be MATH 125 or higher (and identified as an "MT" course).	4 courses, at least one of which must be NS. Any mathematics course must be MATH 141 or higher (and identified as an "MT" course).
SB Social and Behavioral Sciences	3 courses.	2 courses.
WC World Cultures WL World Languages	Elementary proficiency in a language other than English (see next page) and 2 courses, WC or WL or both.	1 WC or WL course (if WL, at 102 level or higher).
Total courses	11 courses.	9 courses.

The Elementary Language Proficiency Requirement (BA Candidates Only)

Students can meet this requirement by

- completing or transferring in a college foreign language course at the 102 level or higher. If a student completes or transfers in two semesters of the same language (such as 101 and 102), the student will also meet the two-course WC/WL requirement.
- completing three years of the same foreign language in high school.
- completing at least one year of secondary or post-secondary education in a non-English-speaking school or university.
- scoring three or higher on an AP exam in a foreign language, or scoring 50 or higher on a CLEP exam in a foreign language.
- demonstrating proficiency to the appropriate language department or, if the language is not taught at UMass Boston, to the assistant director of undergraduate studies.

Please note: Students who have already met this requirement may not take elementary language courses at UMass Boston in the language with which they met the requirement, or transfer such courses to UMass Boston, except in unusual circumstances. For further information about the requirement, please see the chair of the appropriate department.

THE MAJOR

CLA and CSM students must complete the requirements of one of the majors offered by the colleges. In most cases, transfer students must complete a minimum of five courses in their major at UMass Boston. Major requirements are listed by department in the *Undergraduate Catalog*. Students may also design an individual major under the supervision of a faculty member. Information on this option is available from the Undergraduate Studies Office (CC-1-1300).

TOTAL CREDITS

CLA and CSM students must acquire a minimum of 120 credits to graduate, at least 30 of which must be earned at UMass Boston. Please note that the following courses do not count toward this graduation requirement, although they do count toward the semester course load: ESL courses other than 100D; English 099; Math Skills 097, 098, and 099.

GRADE POINT AVERAGE

To graduate, students must achieve a minimum cumulative grade point average of 2.0, calculated only from UMass Boston courses; see the *Undergraduate Catalog* for details. Some majors require a specific average in courses taken toward the major; see the major departments for more information.

ADDITIONAL BS DEGREE REQUIREMENTS IN CERTAIN MAJORS

In addition to the requirements above, students seeking the BS degree in biology, chemistry, geography, mathematics and computer science, physics, or psychology must complete six semester courses in science or mathematics/computer science outside their major discipline. Specific BS degree requirements for each major appear in the departmental sections of the *Undergraduate Catalog*.

WAIVERS OF WRITING REQUIREMENTS

Under certain conditions, the Verbal Reasoning and Expression (Freshman Writing) Requirement may be waived. For information, visit www.freshman.umb.edu/studentswaivers or see the English Department.

In CLA, CSM, and CNHS, the Writing Proficiency Requirement may not be waived unless you have already earned an undergraduate degree, in which case you may petition for a waiver. For information, go to the Undergraduate Studies Office (CC-1-1300) or visit the Writing Proficiency website (www.umb.edu/academics/wpr).

COURSE LOADS

Students may enroll for no more than 17 credits per semester at UMass Boston, as a rule. A student may take additional credits if the student's cumulative grade point average is 3.0, or the average is 3.5 for the previous full-time semester, and written permission is secured from the assistant director of undergraduate studies (CC-1-1300).

REQUIREMENTS OF SPECIAL PROGRAMS

Students enrolled in the following programs should be sure to see the *Undergraduate Catalog* for additional information:

- Management Minor for CLA and CSM Students
- Joint Baccalaureate-MBA
- Undergraduate Teacher Certification

RETURNING STUDENTS PLEASE NOTE!

Students absent from the university for four or more consecutive semesters are subject to all requirements and policies in effect the semester they return.

SEMINAR REQUIREMENTS

These requirements depend on the number of credits you transferred to UMass Boston when you began your degree program, according to the following chart. First-Year and Intermediate Seminars scheduled for the upcoming semester are listed at the beginning of the undergraduate schedule section.

Transfer credits you matriculated with	Your seminar requirements
0-29	Management majors: A First-Year Seminar (100G-level course) in your first semester; MGT 330 later. IT majors: A First-Year Seminar (100G-level course) in your first semester; MGT 330 or an Intermediate Seminar (200G-level course) later.
30 or more	All majors: MGT 330 or an Intermediate Seminar (200G-level course). If you received transfer credit for a course equivalent to MGT 330, you must take a 200G course.

*Please note: If you matriculated before fall 2002, you must meet a somewhat different set of requirements. Be sure to check with your advisor if you are uncertain about how any of these requirements apply to you.

THE DISTRIBUTION REQUIREMENT

Courses that meet the distribution requirement are offered by the College of Liberal Arts (CLA) and the College of Science and Mathematics (CSM) in several areas of knowledge. The areas are identified in the CLA and CSM schedule listings by two-letter codes as follows:

AR	Arts	MT	Mathematics	WL	World Languages
HU	Humanities	SB	Social and Behavioral Sciences	WC	World Cultures
NS	Natural Sciences				

If you began your degree program with 0-89 transfer credits in fall 2002 through spring 2005, you must complete a certain number of distribution courses at UMass Boston, according to the following chart.

Transfer credits you matriculated with	Number of distribution courses you must complete at UMass Boston
0-29	At least four
30-59	At least three
60-89	At least one
90 or more	None

THE DIVERSITY AND INTERNATIONAL MANAGEMENT REQUIREMENTS

International Management Requirement Course _____
Diversity Requirement Course _____

All students must complete coursework that fulfills both the diversity requirement and the international management requirement. These requirements are met by distribution courses or electives. A single course can meet both requirements simultaneously. Please note that students from foreign countries must choose an international management course emphasizing a country other than their own.

Diversity courses are offered by the College of Liberal Arts (CLA) and the College of Science and Mathematics (CSM). A complete list can be found on pages 53-56. Courses offered during the upcoming semester are identified in the schedule listings with these symbols:

International management courses, offered by CLA, CSM and CM, are listed on the next page. Those scheduled during the upcoming semester are identified in the schedule listings with this symbol: Ⓜ

IMPORTANT POLICIES AND OTHER INFORMATION

- Complete, detailed information about curriculum and graduation requirements can be found in the College of Management (CM) *Undergraduate Program Student Handbook*, which is available on the CM website (www.management.umb.edu). Updated information about CM policies and procedures can also be found on the CM website.
- 120 credits and fulfillment of all requirements are required for graduation. A minimum of 30 credits must be earned at UMass Boston. CM coursework is sequential. Students must therefore carefully follow curriculum requirements and meet all prerequisites for required courses.
- Students either receive a BS degree with a management major and a concentration of their choice; or a BS degree with an information technology major and a track of their choice.
- Once a student in the management major has earned 60 credits and has been in CM for at least one semester, he or she declares a concentration in one of the following areas: accounting, finance, information management for finance, information management for marketing, international management, management, management information systems, management science for finance, management science for marketing, marketing, or operations management.
- CM students in the management major who have earned more than 60 credits may declare a concentration from January 2 through March 1 and from June 1 through October 1. Forms are available in the CM Undergraduate Program Office and on our website.
- CM students in the information technology major should be advised in the CM undergraduate program office.
- Students in the management major who have not declared a concentration should seek advising in the University Advising Center (CC-1-1100, 617.287.5500). Students who have declared a concentration are advised by a faculty member from the department administering their concentration. A list of faculty advisors can be found in the college's Undergraduate Program Office and on the CM website.
- Only non-business electives, general elective courses, liberal arts distribution/areas of knowledge courses, diversity courses, and liberal arts international management courses may be taken on a pass/fail basis.
- CM accepts inter-college transfer applications January 2-March 1 and June 1- October 1. For more information, please see the CM website.
- Non-CM students wishing to register for CM courses must obtain permission in the CM Undergraduate Program Office. Non CM students are limited to the following courses: AF210, AF301*, BC230, BC290, MGT303, MKT301, MSIS110, MSIS212. Non-degree students must submit a copy of their transcript and course descriptions of prerequisite courses with their registration form. If permission is granted, students will be able to register once the appropriate registration period begins.

  **AF301 may be taken only if AF211 was completed at UMass Boston prior to the spring 2009 semester or if it was taken at another university prior to admission to UMass Boston.*
- Non-CM students may take up to 6 classses (18 credits) in CM. Prerequisites must be met, and, for many classes, permission is required from the Undergraduate Program Office.
- Non-CM degree-seeking students may register for CM courses in the fall semester starting on August 2. Non-degree students may register for these courses starting on August 23. Please contact the CM Undergraduate Program Office (M-5-0603; 617.287.7760) for information and procedures.
- Effective fall 2008, MATH 134 (or MATH 135 or MATH 140) will be required before taking any 300-level courses in the College of Managment. CM students who are not yet able to take one of these math courses due to preparatory math classes required by their math placement exam results should consult with an advisor in the CM Undergraduate Program Office.
- All students must take the College of Management Writing Assessment (CMWA) before registering for BC 290. The CMWA is given at various points throughout the semester, and pre-registration is required. For current information, please visit this site: http://www.management.umb.edu/undergrad/undergrad_cmwa.php

[1]Students are encouraged to take NURSNG 107G but may take any other 100G-level (First-Year Seminar) course.

[2]Please note: BIOL 111 (General Biology) or equivalent is a pre-requisite or co-requisite for BIOL 207, and a pre-rereequisite for BIOL 208 and BIOL 209. Please see a CNHS academic advisor about this pre-requisite and a possible waiver.

[3]Any 4-credit chemistry lab course will meet this requirement. Please see an academic advisor for other equivalents.

[4]A College of Liberal Arts SB distibution course. SOCIOL 101 and PSYCH 100 are strongly recommended.

[5]A College of Liberal Arts AR or HU distribution course.

[6]Any 4-credit microbiology lab course will meet this requirement. Check the course's prerequisites.

[7]Only NURSNG 212 meets the Intermediate Seminar requirement for nursing students. No credit will be awarded for another Intermediate Seminar.

[8]A College of Liberal Arts WL or WC distribution course.

[9]Choose one from: EHS 280, PSYCH 270, SOCIOL 350, ECON 205, MSIS 111, MATH 125. Check the course's prerequisites.

Important Policies for Nursing Students

- Only course work that fulfills a nursing program requirement will transfer. All transfer courses must carry at least 3 credits, or 4 credits in the case of lab courses. Beginning fall 2004, newly matriculated students must have eamed a grade of C+ or higher in each science or nursing course to be accepted in transfer. To transfer, courses in the natural sciences must have been taken within ten years prior to matriculation in the College of Nursing and Health Sciences (except natural science courses transferred in by RN-BSN students, for which there is no time limit). There is no time limit on other non-nursing courses. Transfer acceptance of nursing courses is determined case by case.
- Beginning fall 2004, to progress in the nursing major, newly matriculated students must achieve a grade of C+ or higher in all science and nursing courses. Students must also achieve a cumulative GPA of 2.5 to progress and graduate. They must also complete the Writing Proficiency Evaluation (see pages 48-51) and complete a total of 123 credits, at least 30 at UMass Boston. No course in the worksheet, with the exception of the World Languages/Cultures and Arts/Humanities courses, may be taken pass/fail.
- ESL, OCAS, CRW, MATHSK, and ACDSKL courses do not count toward the total of 123 required credits or toward the GPAs of students applying for inter-college transfer into the nursing program.
- All traditional nursing students, must meet with a faculty advisor for registration purposes. Faculty advisors are assigned during the first semester and are available by appointment to discuss any aspect of the undergraduate experience. (All RNs should meet with the RN-BS coordinator about the online RN-BS option.)
- Entry into each clinical nursing course is contingent upon satisfactory completion of academic and clinical clearance requirements (including but not limited to: TB test, Hep B series immunizations, CPR, health insurance, a qualifying Criminal Offender Investigation) and space availability.
- A student's failure to adhere to pre- and/or co-requisite requirements of a course will result in the student's removal from the course.
- Students seeking to transfer into the nursing program from other UMass Boston colleges must file for inter-college transfer by February 1 for the fall semester and November 1 for the spring semester. These students must have completed 12 college-level credits including at least one lab science course at UMass Boston. Forms are available at the CNHS office and The One Stop (CC-UL).
- Nursing information sessions are held regularly for non-nursing students who wish more information about our nursing programs and admission requirements. To attend, call 617.287.6000.

ACCELERATED NURSING OPTION FOR STUDENTS WITH BACHELOR'S DEGREES

This table summarizes requirements for students in an undergraduate option leading to the BS in nursing for students who have already earned bachelor's degrees in other disciplines from accredited institutions. The intensive program, which makes use of adult learning styles and combines online, blended, and face-to-face classes, is completed over a fifteen-month period; each summer session, a new cohort of students begins. Prerequisite courses and prior credit for baccalaureate education, together with courses completed through the program, meet the 123-credit graduation requirement. The admissions process is very competitive, and applicants must complete all prerequisites prior to application and commit themselves to full-time attendance. For further information, please visit www.cnhs.umb.edu.

[a]: Any First-Year Seminar (a 100G-level course). NURSNG 107G: Understanding HIV Disease, satisfies this requirement and is strongly recommended. Please refer to the First Year-Seminars section of this publication for current semester offerings.

[b]: Any Intermediate Seminar (a 200G-level course). NURSNG 212: Health Promotion and Teaching, satisfies this requirement and is strongly recommended. Please refer to the Intermediate Seminars section of this publication for current semester offerings.

[c]: AR, HU, NS, SB, WL, and WC identify undergraduate distribution courses in this publication. AR = Arts, HU = Humanities, NS = Natural Sciences, SB = Social and Behavioral Sciences, WL = World Languages, WC = World Cultures.

[d]: Students in the Health Sciences Concentration are required to take Psychology 100 or 101, which satisfies both the SB distribution and a concentration requirement.

[e]: Free electives may be chosen from any undergraduate program. The number of electives required varies, depending on concentration, course selection, and/or transfer credit. To determine the number of electives needed, add the total credit value of your required courses and subtract from the 120 minimum credits required for graduation.

[f]: EHS 220: Adapted Physical Activity and EHS 260: Physical Activity and Health are part of the EHS Core requirements and also satisfy the UMass Boston diversity requirement.

Important Policies and Other Information for EHS Students

- For the most detailed information about EHS Program requirements, policies, and procedures please refer to the *CNHS Exercise and Health Sciences Handbook*, available from the EHS Program Office or online at www.cnhs.umb.edu. This publication is updated every academic year and includes any changes to EHS Program curriculum.
- Transfer students from other colleges and universities must apply through the Office of Undergraduate Admissions. Transfer credit for courses taken at other institutions will be considered in accordance with university and EHS policies. Contact Undergraduate Admissions for more information.
- Candidates for the Bachelor of Science degree in Exercise and Health Sciences must complete a minimum of 120 credits with a cumulative grade point average of 2.0. EHS students must achieve a grade of "C" or better in all EHS courses and BIOL 207 and BIOL 208. A grade of "C-"or below in these courses is considered failing and will necessitate repeating the course. Additionally these courses may not be taken on a pass/fail basis. EHS students may take general education courses and free electives on a pass/fail basis, once per semester up to a maximum of eight times during their UMass Boston career.
- A student may repeat any course, regardless of the grade received, but there may be only one such repetition per course. If a student repeats a course, both grades will appear on the student's transcript, but only the second grade will be computed in the cumulative grade point average. One exception to this policy is EHS 485: Independent Study, which may be repeated.
- Each EHS student must attend a pre-semester advising session before registering for courses. Students in their first or second semester attend an Open Advising Workshop, while students in their third semester or beyond must meet with their faculty advisor.
- All students are assigned a UMass Boston email account upon matriculation. EHS students are expected to regularly check their student email accounts. All communication to students from the EHS Program is disseminated by email.
- Once matriculated, EHS students are required to complete all degree requirements at UMass Boston.
- Students wishing to transfer into EHS from other UMass Boston majors should complete an Inter-College Transfer Application and submit it to the College of Nursing and Health Sciences. The deadline for admission for the fall semester is July 1, and the deadline for spring semester is November 1. Inter-College Transfer Application forms are available at the One Stop.
- EHS 490 is a 400-hour, 12-credit internship which provides a comprehensive, experiential learning opportunity as a capstone to the Exercise and Health Sciences Program. EHS 490 is offered in the fall and spring semesters, as well as during the summer. Students are expected to have completed all other degree requirements before beginning the internship. With departmental permission, students may take a maximum of one course while completing the internship in the fall or spring semesters only. Students taking EHS 490 over the summer are not allowed to take any other courses simultaneously.

The Writing Proficiency Evaluation (WPE) for Students in CLA, CSM, and CNHS

The Writing Proficiency Evaluation (WPE) is an assessment of students' abilities as analytical readers, writers, and thinkers—abilities that students need in order to perform strongly and independently in upper-level courses. These habits of mind are vital parts of a liberal arts education.

The WPE, which meets a university-wide Writing Proficiency Requirement, must be completed by all undergraduate students in the College of Liberal Arts (CLA), the College of Science and Mathematics (CSM), and the College of Nursing and Health Sciences (CNHS), including the Exercise and Health Sciences (EHS) Department. Students can complete the WPE either by taking a timed-essay examination or by submitting a portfolio. The WPE is administered by the Writing Proficiency Office (WPO) located in the Campus Center (1st floor, 1300 suite).

Please note that students in the College of Management and the College of Public and Community Service must also demonstrate proficiency in writing; this is done through other evaluation processes.

THE WRITING PROFICIENCY EVALUATION: TIMED-ESSAY EXAMINATION

This examination is offered two times a year, in January and June. Students have three hours to write an essay of eight to twelve paragraphs that answers a question based on a set of readings. You need to download the readings from the WPO website: www.umb.edu/academics/wpr. To prepare for the examination, you must study the reading set in advance, and bring it with you to the examination. A passing essay will demonstrate the student's thorough understanding of the readings, as well as an ability to analyze and synthesize the material, use evidence appropriately, form concepts, draw inferences, and construct a well organized response to the question. Each student who plans to take the examination must register for a specific reading set. When you download that reading set, the PDF will contain a registration ticket, which you must bring to the examination to be admitted. Before registering, you should preview excerpts from the three reading sets and choose the set you want to prepare; preview materials will be available at the WPO website (www.umb.edu/academics/wpr) one week before the registration period begins.

To register for the WPE, visit the WPO website and follow the registration instructions. You will need to send an email that contains your name and UMS number to the address on the registration page. You will get a reply that contains a username and password, so that you can download the password-protected reading set, which will be in a PDF file. Registration begins six weeks before the date of the examination (see the schedule for the upcoming semester on the following pages).

Note: The Writing Proficiency Evaluation is not the same as the English Placement Test, which students take when they enter CLA, CSM, or CNHS. College of Management students are required to take the Business Communication Assessment (BCA). Further information about this exam is in the CM website at www.management.umb.edu/undergrad/undergrad_bca.php.

THE WRITING PROFICIENCY EVALUATION: PORTFOLIO

A Writing Proficiency Portfolio has two components: first, one new essay that is based on a reading set and a question distributed by the WPO; second, course papers totaling at least 15 pages.

The new essay must be at least five full typed pages in length. On the cover page of the new essay students must write this statement: "I certify that this essay is entirely my own work and has not been revised or altered by anyone else." The statement must be signed by the student, verifying its truth.

The portfolio must have two to four supporting papers that are original graded papers from courses taken at UMass Boston. One of these papers must be at least five full pages long, and none of the papers can be less than three full pages long; the papers must total 15 complete pages of analytical writing. Additionally, you will need to certify your original graded papers. Each original graded paper must have attached to it a completed certification form signed by the instructor who graded it. Please start the process of certification as soon as you can; the closer it gets to the end of the semester, the harder it becomes to connect with instructors to get your papers certified. Although chairs may sign on behalf of a faculty member who is on leave or is no longer at the university if you provide them with the original graded paper, please be advised that department chairs are under no obligation to certify papers simply because you waited too long to seek the instructor's signature.

If you do not have an original graded paper, but you have an original paper stored on a drive, you may print out a copy of the paper and use it *if and only if:* a) the professor to whom the paper was submitted signs the certification form and writes "I remember that this is the paper submitted for the course"; and, b) the professor writes the original grade on the paper. (A department chair may sign the certificate only if the instructor is no longer here or is on leave; however, the chair *cannot certify a paper if it is not an original graded paper.)*

The new essay and the course papers must demonstrate proficiency according to the criteria outlined in the Elements of Writing Proficiency. Visit the WPO website to read a complete list of criteria for the portfolio and to download the necessary forms.

A reading set and a question will be available from the WPO website six weeks before the complete portfolio is due. Portfolio evaluations occur four times a year on specified dates in January, June, October, and March (see the schedule for upcoming semesters on the following pages).

Portfolios may be submitted on specified dates in January and June and also in October and March (see the schedule for the upcoming semester on the following pages).

DEADLINES

CLA and CSM: All students who are required to take an Intermediate Seminar (a 200G course) should complete the WPE after they have completed 60 credits and an Intermediate Seminar. As a rule, students must complete the WPE by the end of the semester in which they earn their 75th credit. Students who transfer to the university with 75 or more credits are the only exception to this rule; these students must complete the WPE by the end of their first semester, whether or not they are also required to complete an Intermediate Seminar.*

CNHS: Generic nursing students are required to attempt the WPE before enrolling in NURSING 226 and to successfully complete it before enrolling in NURSNG 310. RN Nursing students in the online program must do so before enrolling in NURSNG 461. EHS students must successfully complete the WPE by the time they reach 75 credits.

***Please see "What Happens If the Requirement is Not Completed on Time" on page 51.**

WAIVERS

Only students who have previously earned bachelor's degrees are eligible for waivers of the WPR.

A CLA or CSM student who has earned a bachelor's degree may apply for a waiver by presenting a complete copy of a transcript indicating completion of that degree, plus a portfolio of 15 pages of samples of analytical writing in English that were submitted for grades in pursuit of that degree. These requests for waivers are reviewed case by case. Waiver request forms are available in a downloadable PDF file at www.umb.edu/academics/wpr. Contact the WPO (CC-1-1300, 617.287.6330) for more information.

A CNHS student who has earned a bachelor's degree from a university that is not an English-speaking institution, and who wishes to apply for a waiver, is also required to submit a transcript indicating completion of that degree, plus 15 pages of analytical writing in English that were submitted for grades in pursuit of that degree. Interested students can submit the waiver request form (see above) or visit or call a CNHS student affairs specialist (S-2-013, 617.287.7500).

Please note!

- **The WPE deadline is important for you. For details, see "Deadlines" above and "What Happens If the Requirement is Not Completed on Time" on page 51.**
- **The Writing Proficiency Office runs workshops to help you prepare for the WPE. Please check the office website (www.umb.edu/academics/wpr) for times and locations. The workshops will discuss the "Elements of Writing Proficiency" and the Assessment Rubric that will be used to evaluate your writing. Both are available in downloadable PDF files at www.umb.edu/academics/wpr.**

WHAT HAPPENS IF THE REQUIREMENT IS NOT COMPLETED ON TIME

CLA, CSM and EHS: If you do not successfully complete the WPE by the end of the semester in which you earn 75 credits—or, if you have transferred with 75 or more credits, by the end of your first semester at the university—then you will be required to sign at least one formal learning contract with a counselor in the WP Office. The contract establishes a precise plan for the following semester to facilitate your success with the WPE. If you do not sign the contract, you will be suspended from the university.

You will be allowed two learning contracts. The first will limit you to 12 credits during the following semester; three of the credits will be a required writing course such as CRW 282 or CRW 283. If you attempt the WPE unsuccessfully at the end of this semester, you will be offered a second learning contract of twelve credits, including a required writing course. If you do not attempt the WPR at the end of this semester, you will be subject to suspension.

If you do not complete the WPE after two learning contracts, you will not be allowed to register for any course other than a writing course designed to help students having difficulty with the WPE.

If you have completed 75 or more credits but have not completed the WPE, you will not be allowed to transfer in additional credits until you have done so.

If you do not complete the WPE by the time you have accumulated 100 credits, you will have a hold put on your university account until your case has been reviewed individually. The consequences will be serious: you may be suspended from the university, or you may be restricted to a learning contract limiting you to six credits and two courses.

CNHS: Generic nursing students will not be allowed to register for NURSNG 310 and RN nursing students will not be allowed to register for NURSNG 445 (or, if in the online program, NURSNG 461) unless they have successfully completed the WPE. (As of spring 2010, EHS students are to follow the same rule for the WPE as students in CLA and CSM.) If you fail to complete the WPE on time, you will be unable to make normal progress toward your degree.

GETTING HELP

- CRW 282 is an intensive reading and writing course that helps to prepare students to retake the WPR timed essay. This course will give students one paper that can be certified as a supporting paper in a Writing Proficiency Portfolio.
- CRW 283 is an even more intensive reading and writing course that allows students who do not have any supporting papers to write all three supporting papers for a WPE portfolio.

Registration in these courses is by permission of the instructor or the WP director only. For further information, visit or call the WP Office (CC-1-1300, 617.287.6330).

Students must have completed English 101, English 102, and an Intermediate Seminar to be enrolled in either class. If students are over 75 credits and have not completed an Intermediate Seminar, they may be placed in CRW 221 or they may be required to take an Intermediate Seminar.

The Diversity Requirement

UMass Boston believes that explicit study of the diversity of the world's peoples is an essential component of an undergraduate education. The university defines diversity broadly to include race, gender, culture (national origin, ethnicity, religion), social class, age, sexual orientation, and disability. Attention to cultural and social groups previously ignored or marginalized in curricula helps students acquire analytical tools and knowledge with which they can understand human diversity in our complex and changing world, and strengthens their academic preparation by exposing them to a rich body of scholarship from a wide range of disciplines. All undergraduates at UMass Boston must therefore take courses that address human diversity as a major theme.

If you are in the College of Liberal Arts or the College of Science and Mathematics, there are two groups of courses to choose from. The courses in one group focus on diversity in the United States, those in the other have an international focus. If you enter UMass Boston with fewer than 60 credits, you must take one course from each group. If you enter UMass Boston with 60 or more credits, you must take one course, which can be drawn from either group. You can find a list of all courses that meet the diversity requirement on the following pages.

A number of courses that meet the requirement will be offered during the upcoming semester. These are identified in the schedule listings by symbols, as follows:

United States focus:

International focus:

If you are in the College of Management, you must complete one diversity course from the list on the following pages. The course can have either a US focus or an international focus. Please note that the College of Management requires you to complete an "international management" course. For more information, see pages 41-42.

If you are in the College of Nursing and Health Sciences, you will meet the diversity requirement automatically by taking courses required for the major.

Please note: To meet the diversity requirement, you must complete the appropriate diversity course(s) at UMass Boston. A transferred course may meet another requirement while not meeting the diversity requirment.

COURSES MEETING THE DIVERSITY REQUIREMENT

CLA and CSM CSM students entering with 0-59 credits must take two courses, one from Group A and one from Group B. Those entering with 60 or more credits must take one course, which can be drawn from either group.

CM students must take one course, which can be chosen from either group.

Please note: This list includes all courses that students may take to meet the Diversity Requirement. Courses to be offered in the upcoming semester are listed in the schedule section of this publication. For further information on the requirement, see the preceding page.

Schedule of Undergraduate Courses

FOR FALL 2010

FIRST-YEAR SEMINARS

Students are required to take one and only one First-Year Seminar, if possible in their first semester at UMass Boston, and must register for the seminars through the University Advising Center.

First-Year Seminars meet part of the General Education Requirement for new degree-seeking students entering the College of Liberal Arts, the College of Science and Mathematics, and the College of Management (as of fall 2000), and the College of Nursing and Health Sciences (as of fall 2001), with 29 or fewer transfer credits. The courses are not open to other students. For further information, see page 33 and the subsequent pages about individual college requirements. For course descriptions of the seminars, see the latest *Undergraduate Catalog* or visit www.uec.umb.edu, where you can find links to the descriptions and other information.

If you need information about studying at UMass Boston that you can't find in this publication, see "Where to Learn More" on pages 26-29.

COLLEGE OF MANAGEMENT

CM course offerings eppear below, department by department. During the eerly-eccess registretion period, CM courses are reserved for CM students. The only exception to this is thet any student may register for AF 201 and MGT 130 during the early-access registretion period es well. On August 2, UMass Boston students who are not in the college ere invited to enroll in the following CM courses ONLY, provided they heve met course prerequisites: AF 210, AF 301*, BC 230, BC 290, MGT 303, MKT 301, MSIS 110, MSIS 212 (AF 301 registretion is permitted ONLY if AF 211 was completed at UMass Boston prior to the spring 2009 semester or at another university prior to admission to UMass Boston). Non-CM students wishing to register for CM courses must complete a registretion request cerd in the CM Undergraduate Program Office (M-5-603).

Non-CM students may self-register for AF 210, AF 211, MSIS 110, and MSIS 111 (with proper prerequisites); all other CM courses will require CM approval, which students cen obtein by completing a registration request form in the CM Undergraduate Program Office (M-5-603).

Non-CM students are limited to taking a total of 18 credits in the College of Menagement. Non-degree students may register under the same conditions starting August 23, 2010. For further informetion, visit or call the CM Undergraduate Program Office (M-5-603; 617.287-7760).

What the Codes Mean

★ = Meets at or after 4:00pm
ccde = Course edministered by the Division of Corporate, Continuing, and Distance Education (see pages 13-15).
LMS Chet = Learning Management System Chat, a required blackboard chat session.
tbe = to be announced
Letters to right of course credits = Distribution area (see peges 34-37).
or = Diversity course (see pages 52-56)
= CM international management course (see pages 41-42)
W-1-0001 end similer place informetion = Building, floor, and room number, in that order.

A= State Archives Building
C=Clark Athletic Center
CC=Campus Center
H = Healey Library
M = McCormack Hell
Q = Quinn Administration Building
S = Science Center
W = Wheatley Hall
Breintree = Braintree High School
Copley = Snowden International School in Copley Square
Plymouth = Cordage Park Campus in Plymouth
Wakefield = Northeast Metropolitan Regional Vocational High School
Andover= Greater Lawrence Regional Vocationel High School
Frenklin = Tri-County Regional Vocationel High School
New Bedford = Greater New Bedford Regional Vocational High School

Computer Science (CS)

All naw and continuing students who are registering for UMass Boston courses in either mathematics (up to MATH 140) or computer science (up to CS 110) are required to take the Mathematics Diagnostic Exam. The university uses this test to place students in the courses that will serve them bast. Students without a satisfactory result on the exam will ba dropped from math and computer scienca courses for which they register. Refer to the front of this publication for tha tast dates and times.

What the Codes Mean

★ = Meets at or after 4:00pm
ccde = Course administered by the Division of Corporate, Continuing, and Distance Education (see pages 13-15).
LMS Chat = Learning Management System Chat, a required blackboard chat session.
tba = to be announced
Letters to right of course credits = Distribution area (see pages 34-37).
or = Diversity course (see pages 52-56)
= CM international management course (see pages 41-42)
W-1-0001 and similar place information = Building, floor, and room number, in that order.

A= State Archives Building
C=Clark Athletic Center
CC=Campus Center
H = Healey Library
M = McCormack Hall
O = Quinn Administration Building
S = Science Center
W = Wheatley Hall
Braintree = Braintree High School
Copley = Snowden International School in Copley Square
Plymouth = Cordage Park Campus in Plymouth
Wakefield = Northeast Metropolitan Regional Vocational High School
Andover= Greater Lawrence Regional Vocational High School
Franklin = Tri-County Regional Vocational High School
New Bedford = Greater New Bedford Regional Vocational High School

Access to Your University Records

WHO HAS ACCESS TO WHAT

A federal law called the Family Educational Rights and Privacy Act of 1974 establishes the following regulations governing access to every student's UMass Boston records.

1. This Act sets forth requirements designed to protect the privacy of parents and students with regard to access, review or release of records maintained by educational institutions.

2. The Act permits current or former students to review the following documents: permanent academic record, admissions, financial, placement, veteran's, counseling, advising and disciplinary records.

3. Access to these records may also be granted to faculty and staff; your parents, if you are a student listed as a dependent on their federal income tax returns; authorized federal or state officials auditing education programs; and accrediting associations.

4. The following records may not be examined: parents' financial records; medical, psychiatric or psychological records; personal files of faculty or administrative personnel; law enforcement records held by law enforcement officials.

5. Directory information may be released to third parties without your written consent, provided you have been given the opportunity to withhold all such disclosure. Directory information includes your name, address, date and place of birth, major field of study, dates of attendance, degrees and awards conferred. As a public institution we must comply with any request for a list of our students. If you would like to insure that your name is not included on any list, please read "Your Right to Restrict Access" below.

6. Procedure for gaining access to records: Your request for access to a record should be made in writing to the office which maintains the record. The academic record is the only permanent record and is maintained in perpetuity. Medical records are retained by the Health Services Center for 30 years. Admissions records for all applicants must be held for three years.

7. Any questions and/or challenges concerning these matters should be addressed to the Office of the Vice Chancellor for Student Affairs (CC-4-4100).

YOUR RIGHT TO RESTRICT ACCESS

You have the right, as noted in paragraph 5 above, to withhold access to your directory information from any third party. To authorize such restrictions, you can use the Personal Information function in WISER Student Self-Service. Once you have done so, no information can be released without your written consent.
